Introduction

This booklet provides a list of Denver Health Medical Plan, Inc.'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Denver Health Medical Plan's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Denver Health Medical Plan, Inc. When it refers to "plan" or "our plan," it means either Medicare Select (HMO) or Medicare Choice (HMO SNP).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under the Denver Health Medical Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **07/01/2019**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.denverhealthmedicalplan.org. You may also call Member Services for provider information.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called MedImpact Direct. For more information, please contact Member Services (located on the front and back covers) or see the mail order listing in this pharmacy directory.

This directory is for Denver County which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory call our Member Services listed on the first and last cover pages of this directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

The listing of pharmacies begins on page **5**
