Some of our plans have changed:

2. City/Police/DERP employer group plans have a change in provider network: the Denver Health Network only – remember to look at the DHMP online provider directory when making specialist referrals.
3. Elevate Exchange plans now have dental and vision coverage for adults (from Delta Dental and VSP) included in their benefits.

Refer to a member's specific handbook at denverhealthmedicalplan.org if you have questions about a patient's benefits.
