# Who Can Enroll?

Denver Health Medicare Choice (HMO D-SNP) is a dual special needs plan, a Medicare Advantage plan available exclusively to beneficiaries eligible for both Medicare and Medicaid. You are eligible to enroll for this plan if:

- You have both Medicare Part A and Part B.
- You are entitled to Part D.
- You have full Medicaid benefits.
- You must reside in Adams, Denver and Jefferson Counties.

## What Do We Cover?

Like all Medicare Plans, we cover everything that original Medicare covers – and more.

- Our plan members get all benefits covered by Original Medicare.
- Our plan members also get more than what is covered by Original Medicare. Some of the benefits are outlines in this booklet. For a full list of benefits, you can access our **EOC** online.
- You are covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost-sharing for Medicare services, including copays and coinsurance. You do not pay anything for these services listed in the Benefits Chart, as long as you remain eligible for both Medicare and Medicaid.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

# **Coverage Rules**

We cover the services and items listed in this document and the EOC, if:

- The service or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from the plan providers listed in our Provider Directory and Pharmacy Directory (but there are exceptions to this rule). We also cover:
  - o Emergency Care
  - o Urgent Care
  - Out-of-Area Dialysis

For details about coverage rules, including services that are not covered (exclusions), see the **EOC**.

# **Getting Care**

At most of our in-network facilities, you can usually get the covered services you need, including specialty care, pharmacy and lab work. To find our provider locations, see our Provider Directory online (<u>denverhealthmedicalplan.org/find-doctor</u>) or ask us to mail you a copy by calling our Health Plan Services at 303-602-2111 or toll-free 1-877-956-2111, 8 a.m. to 8 p.m., seven days a week. For TTY, call 711.

#### **Medicare Part D: Prescription Drug Coverage**

Most individuals who are entitled to Medicaid benefits also get Extra Help from Medicare to pay for their prescription drug plan costs. Medicare provides Extra Help to help pay prescriptions for beneficiaries who have limited income and resources.

#### **Initial Coverage Stage**

For generic drugs (including brand drugs treated as generic), either:

- \$0 copay; or
- \$1.30 copay; or
- \$3.70 copay; or
- 15% coinsurance.

For all other drugs, either:

- \$0 copay; or
- \$4.00 copay; or
- \$9.20 copay; or
- 15% coinsurance.

You may get your drugs at network retail pharmacies and mail order pharmacies. If you reside in a long-term care facility, you pay the same as at a retail pharmacy.

You may get your drugs from an out-of-network pharmacy at the same cost as an in-network pharmacy.

#### **Coverage Gap Stage**

The coverage gap stage is a temporary change in the cost for your prescription drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,130.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$6,550, which is the end of the coverage gap.

Not everyone will enter the coverage gap stage. For more information call us at 303-602-2111 or toll-free 1-877-956-2111, call 711 for TTY users, or you can access our **EOC** online.

#### Catastrophic Coverage Stage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,550, you pay the greater of:

- 5% of the cost; or
- \$3.70 for generic (including brand drugs treated as generic) and a \$9.20 co-payment for all other drugs.

For more information, call us at 303-602-2111 or toll-free 1-877-956-2111, call 711 for TTY users, or you can access our **EOC** online.

As a member of DHMP, you may get your drugs any of the following ways:

#### • Retail Pharmacy

You can get a 30, 60 or 90 day supply. For less than a month supply, please contact us at 303-602-2111.

#### • Long Term Care (LTC) Pharmacy

LTC pharmacies must dispense brand name drugs in less than a 14 day supply at a time. They may also dispense less than a month's supply of generic drugs at a time. Contact us at 303-602-2111 if you have any questions about cost-sharing or billing when less than a onemonth supply is dispensed.

#### • Mail Order

Contact us if you have questions about cost-sharing or billing when less than a one-month supply is dispensed.

The plan uses a formulary, you can see the formulary at <u>denverhealthmedicalplan.org</u>, or call our Health Plan Services at 303-602-2111 or toll-free at 1-877-956-2111 for a copy.
