# Denver Health & Hospital Authority

- Denver Health was founded as City Hospital in 1860 to serve the health care needs of the rapidly developing city of Denver.
  - As the story goes, two men dueled in a gunfight on Denver's dusty streets. Only one was left standing. The other was brought to the city's hospital, which would later become Denver Health.
- Today, Denver Health delivers preventative, primary and acute care services.

# Denver Health & Hospital Authority

**1/3**

# Provider Network

ELEVATE GIVES YOU ACCESS TO THE ENTIRE DENVER HEALTH NETWORK, WHICH INCLUDES:

**\*Plus access to Cofinity providers for outpatient behavioral health services.\***

# How to Find a Provider

Within the DH network:

<https://www.denverhealthmedicalplan.org/find-doctor>

The screenshot shows the 'Find a Provider' search interface on the Denver Health Medical Plan website. At the top, a blue banner indicates 'You've Selected: Elevate Health Plans'. Below this is a large background image of a person in a field with the text 'Find a Provider' overlaid. The search interface includes three tabs: 'By Name', '+ By Specialty' (which is selected), and 'By Location'. Below the tabs are two input fields: 'Enter a Specialty' and 'Enter Address, City, Zip Code, or St', followed by a search icon. At the bottom right of the search area, there is a link for 'ADVANCED SEARCH'.

# How to Find a Provider

Within the Cofinity network\*:
