

Prior Authorization Request Delegation Communication

Greetings,

Effective 10/1/2023, Denver Health Medical Plan's (DHMP) Prior Authorization Requests (PAR) for all Elevate Exchange, Colorado Option, and Elevate Medicare Advantage members will transition to our PBM, MedImpact. The PAR forms on our web page have been updated to reflect this change. All communications should be directed to MedImpact for the specified lines of business. MedImpact will outreach to providers via fax if any additional information is needed for a submitted request, or they can be contacted at 1-800-788-2949.

Please email **ManagedCarePAR@dhha.org** with any questions regarding this communication.

Thank you,

DHMP Pharmacy Prior Authorization Department
