Coverage for: Individual/Family | Plan Type: Medical Care HMO

Coverage Period: 1/1/2024 - 12/31/2024

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.denverhealthmedicalplan.org</u> or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 individual / \$0 family.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. An embedded <u>plan</u> has individual <u>deductibles</u> and a max <u>out-of-pocket</u> . Cost-sharing begins when the member reaches their individual <u>deductible</u> (including <u>copayment</u>).
Are there services covered before you meet your deductible?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without cost-sharing and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet other <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$5,000 individual / \$10,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on this <u>plan</u> , all family members' expenses will count towards the overall family <u>out-of-pocket limit.</u>
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.denverhealthmedical</u> <u>plan.org</u> or call 1-800-700-8140 for a list of network <u>providers</u> .	This <u>plan</u> uses Denver Health and Hospital Authority provider network. The Columbine network is used for chiropractic services. First Health providers in Colorado are in-network for outpatient mental health services only. Conceptions is in-network for infertility services. Please be aware, your network provider may use an out-of-network <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you receive services. Out-of-network <u>providers</u> are not covered on this <u>plan</u> except for urgent care or emergency.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes, for some providers.	For Denver Health and Hospital Authority, you will need a referral to see most specialists.
