The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-700-8140. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.denverhealthmedicalplan.org or call 1-800-700-8140 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$500 individual / $1,000 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. An embedded plan has individual deductibles and a max out-of-pocket. Cost-sharing begins when the member reaches their individual deductible (including copayment).
Are there services covered before you meet your deductible?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan?	$5,000 individual / $10,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan, all family members' expenses will count towards the overall family out-of-pocket limit.
What is not included in the out-of-pocket limit?	Premiums, balance billing charges.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.denverhealthmedicalplan.org or call 1-800-700-8140 for a list of network providers.	This plan uses Denver Health and Hospital Authority, First Health providers in Colorado, UC Health, CU Health Partners, Colorado Pediatric Partners and the Children's Hospital Colorado provider network. The Columbine network is used for chiropractic services. Please be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you receive services. Out-of-network providers are not covered on this plan except for urgent care or emergency.
Do you need a referral to see a specialist?	Yes, for some providers.	For Denver Health and Hospital Authority, you will need a referral to see most specialists. Within the HighPoint network, you do not need a referral for claim payment, but the specialist may request a referral from your PCP prior to care.
