

## **Elevate FlexCard**

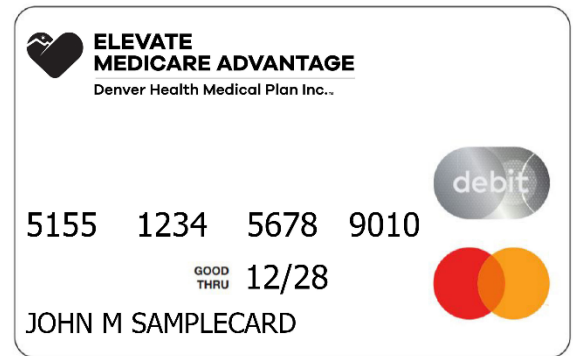

### **Over-the-Counter (OTC) Health and Wellness Product**

### **Examples of Approved Products Catalog**

Shop for these products in store at participating stores, including King Soopers, Walgreens, CVS, and Safeway.

It is recommended that you use the Medicare FlexCard mobile app to scan the items and verify eligibility. There is a disclaimer in the app if you are shopping at Walmart because Walmart uses their own Approved Product List and may not align with our eligible items list.

All members qualify for the OTC allowance and will receive funds on a reloadable card at the beginning of January, April, July and October, or upon enrollment. Funds expire at the end of the quarter or upon disenrollment.

OTC items may be purchased for the plan enrollee. It is prohibited to purchase OTC items for family members and friends.

This is not a complete list of covered items. It was designed with the intent to work as a guide to identify the type of items which are covered under the Elevate FlexCard OTC allowance.

This guide is not a guarantee of coverage. Items may be updated in the approved product list at any time.

For more information, visit [DenverHealthMedicalPlan.org/medicare-flexcard](https://DenverHealthMedicalPlan.org/medicare-flexcard).
