

## *Updates from Utilization Management (UM)*

### **NOTIFICATION OF INFERTILITY PROVIDER TIP SHEET UPDATE:**

The “Provider Tips – Infertility” available on the DHMP website has been updated. Provider Tips are located under Provider Forms and Materials, Utilization Management, Provider Tips.

Provider guidance regarding infertility services, benefit limitations by line of business (LOB) and criteria reviewed to determine medical necessity of these services.

### **NOTIFICATION OF CLINICAL COVERAGE GUIDELINES UPDATE:**

The “Sleep Apnea” clinical coverage guideline available on the DHMP website has been updated. The guidelines can be located under Provider Forms and Materials, Clinical Coverage Determination Criteria.

Provide Clinical Coverage Guidance for determining what medical services, procedures, devices, and drugs may be eligible for coverage and to evaluate whether a medical procedure or equipment is medically necessary. Providers are responsible for verifying eligibility and benefits before providing services to all Denver Health Medical Plan (DHMP) members.
