You can request a paper copy or a different language or format, which will be sent to you within five business days by calling Health Plan Services at 303-602-2100.

Urgent Care Clinics:

You do not need approval to go to the nearest urgent care. You may see any urgent care provider in the USA, even if they are outside the network. A list of Denver Health Urgent Care Clinics is available online at **www.denverhealth.org/services/emergency-medicine/urgent-care**. For Denver Health MyChart users (age 18 and above), a virtual urgent care visit can be done using your smartphone, tablet, or computer. Tips for appointments:

- » Bring your Elevate CHP+ ID Card and picture ID to all of your visits.

- » If you need to cancel your visit, please call the Appointment Center at least one day before your visit date.

Open Enrollment:

Each year the state will mail you a renewal packet to review your information. After this is submitted you will have 60 days to switch to a different health plan for any reason.

Prenatal Care Program:

Prenatal care program members may choose an obstetrician/gynecologist (OB/GYN) as their PCP. This program is more than just prenatal care. It offers many benefits during and after pregnancy, like visits to a doctor when you are sick, prescriptions, vision and mental health services. The coverage is good through 12 months after the end of your pregnancy.

Presumptive Eligibility:

The Presumptive Eligibility (PE) program gives children under 19 and pregnant women temporary Child Health Program Plus (CHP+) medical coverage right away. Temporary medical coverage lasts for at least 45 days while your Health Assistance application is processed. To qualify, you must:
