# BREAST PUMPS FOR MOTHERS OF NEWBORNS

Pregnant or postpartum members of Denver Health Medical Plan, Inc. (DHMP) Elevate Health Plans (Exchange and CO Option) and Employer Group plans are entitled to receive a breast pump as a benefit of your health insurance coverage. The **breast pump allowance is \$150 per pregnancy** and will cover a standard model. If you select a breast pump with a higher value than the allowance, then you will pay the cost difference directly to the vendor.

## TO RECEIVE YOUR BREAST PUMP

- » You must be at or beyond 28 weeks of pregnancy.
- » Your doctor must submit a breast pump order for you.
- » Pick up your breast pump at one of our preferred providers (AdaptHealth or Bili Blanket), or have it shipped directly to you.
- » The preferred providers will bill your health insurance directly.
