Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$6,950 / individual or \$13,900 / family.	Generally, you must pay all costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. A copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	For network providers \$7,100 individual / \$14,200 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members on this plan , they must meet their own out-of-pocket limits until the overall family out-of-pocket limit is met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.denverhealthmedicalplan.org/find-doctor or call 1-855-823-8872 for a list of network providers .	This plan uses a provider network . You pay less when using a provider in the plan's network . You pay more if you use an out-of-network provider , and you may receive a bill from a provider for the difference of the provider's charge and what your plan pays (balance billing). Your network provider may use an out-of-network provider for some services. Check with your provider before you get services.

Questions: Call 1-855-823-8872 or visit us at www.denverhealthmedicalplan.org. See the Glossary for underlined items. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-855-823-8872 to request a copy.

Do you need a [referral](#) to see a [specialist](#)?

Yes. Self-referral is allowed for OBGYN and outpatient mental health services.

This [plan](#) will pay some or all of the costs to see a [specialist](#) for covered services if you have a [referral](#) before you see the [specialist](#).

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
