Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$2,600 / individual or \$5,200 / family.	Generally, you must pay all costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of deductible expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive care services and preventive pharmacy are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. A <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without cost sharing and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	For <a href="#">network providers</a> \$7,350 individual / \$14,700 family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members on this <a href="#">plan</a> , they must meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> is met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billed</a> charges and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.denverhealthmedicalplan.org/find-doctor">www.denverhealthmedicalplan.org/find-doctor</a> or call 1-855-823-8872 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You pay less when using a <a href="#">provider</a> in the plan's <a href="#">network</a> . You pay more if you use an <a href="#">out-of-network provider</a> , and you may receive a bill from a <a href="#">provider</a> for the difference of the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Your <a href="#">network provider</a> may use an <a href="#">out-of-network provider</a> for some services. Check with your <a href="#">provider</a> before you get services.

Do you need a [referral](#) to see a [specialist](#)?

Yes. Self-referral is allowed for OBGYN and outpatient mental health services.

This [plan](#) will pay some or all of the costs to see a [specialist](#) for covered services if you have a [referral](#) before you see the [specialist](#).

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
